MEMORANDUM TO: Chief, Materials Division
FROM: Chief, Services Division
SUBJECT: Production of Intelligence Concerning Sino-Soviet Alco Supply and Use of Ion Exchange Resins
REFERENCE: EDIC Case No. 26, 22 April 1957

1. As indicated in the referenced EDIC Case, the Department of Commerce has requested intelligence concerning Sino-Soviet Alco supply and use of ion exchange resins, in connection with possible placement of such items on the U. S. Export Security List. CIA has been assigned production responsibility.

2. Since this subject falls within the area of responsibility of the Chemicals Branch, it is requested that the project be undertaken by that Branch, along the guide lines provided in the attached Commerce memorandum.
